We do not propose to notice the letter in detail. It fills a space of new type and elegant job supplies. about six column of the CITIZEN Send your orders to the CITIZEN

Jon Office, Promptness, mathes We notice the last paragraph first, because it is the "sum total of the

"The farmers in Ireland are in no for Consumption, having used it for severe condition, to day than those severe attack of Bronchitis and Catarri worse condition to day than those in North Carolina, and one of the prime causes there is not far different from one to which most of the trouble here may be attributed."

This parallel is violative of all fact, all experience, all contempora neous history. It is the assertion that the admittedly oppressive government of Great Britain, since the reign of Eližabeth treating the Irish as a conquered people, denying them all the rights attached to equal citizenship in a country of equal rights, suspending the operaing the last penny from an impoverished people in the form of taxation
and exhaustive rents, reducing the population to a state of starvation, cleaner of impurities, compounded by a competent home druggist Call and try a bottle, price \$1.00 at gration of nearly half of the miserable remnant, is no worse than that which afflicts the people of North Carolina. Could assertion be more reckless, or injustice more rank than to compare the well fed, the well clad, the well sheltered, the lightly taxed people of North Carolina with the half starved, the half clad, the half sheltered peasantry of Ireland whose lot presents the very

that have yet been put on this market. The prices will be reasonable an extreme of human wretchedness? The only foundation for this assertion is complaint of hard times. there are few men in any State who are botter equipped with experience on These T. B. recklessly charges on the administration of Mr. Cleveland. Since the inauguration of am. I can save you the trouble of order Mr. Cleveland T. B. says "that everything in which the farmer is you can get anywhere else. interested has been blighted, and he can only think that the chance in the control of National affairs is at goods only. the bottom of his distre-s." We | fitting, and stylish garments as the best merchant tailors in the largest cities can might infer that T. B. means that the floods and the droughts and produce at less than city prices for some the tempests are all to be ascribed class of work. to the Democratic administration. One trial will convince the best critic of We presume, more rationally, that custom clothing that I exaggerate nothing. he means that the financial stringency is due to that administration. The foundationof distress is in the absence of a sufficiency of money circulation. Is that administration responsible for the absorption of money into the public DRIGHTER THAN EVER! treasury, the accumulation of a monstrous and idle surplus, the - THE STAR OF BUNCOMBE results of an unjust and burdensome protective tariff, and the equally unjust and oppressive revenue system, both of them the direct and admitted truits of Republican administration, the reform of the one resisted streruously as a party measure, the other now at a late day hypocritically urged for modification only with the view of keeplng the protective tariff in full vigor that the capitalist may continue to grow richer, and the farmer and WE BID FAIR TO REGISTER 25,000 laborer grow poorer? Democratic policy, if not successfully resisted by the opposite party will in a short time let loose the surplus in the treasury and retain in the hands of the people that which is Low wrung from them. The relief is to come from the first. The present misery is to be perpetuated by the

We quote one paragraph which is the old Republican song, to be repeated with variations during the the coming campaign. We quote it to show how recklessly the evils of the present system of county government are exaggerated. The grievances alleged are set forth in the style of embelishment that characterizes the paragraph quoted comparing the situation of North Carolina with that of Ireland. But for the predominance of the negro element in the Republican party, productive neither of special good nor special evil. As it is, it stands a bulwark to the defence of the that system might be changed, as white men of the east who had Forses on hand for sale at all times
